Reviews There are no reviews yet. Be the first to review "Case 585, 685, 595, 695 Tractor Service Manual" Cancel reply You must be logged in to post a review. It contains 1744 pages of useful technical information and instruction for your Tractor. Written in the language of a mechanic, it was initially furnished to the dealers service department to provide enough detail for major repairs and complete overhauls. It covers how to correctly take apart your 585, fix it, and put it back together. This is a vital companion if you are doing or thinking of extensive repairs or a full restoration. Even if you already own an original Service Manual thats in good shape, you will find our valueadded content, such as postpublishing updates, corrections, serial number info and additional machine detail extremely useful.
